Executive Director's Journal

Fall seems to have arrived. School is back in session, the temperatures are cooler and renewal season is over.

We have been busy working towards three rule changes. These changes have been submitted and a public hearing has been set. These changes relate to continuous testing, CPE reporting, and statutory changes. More detailed information can be found inside this newsletter.

North Dakota had 94 CPA exam passers this past year. It was great to see about a third of them attend the Annual CPA Convention and take part in the annual swearing in ceremony. What an honorable accomplishment. We welcome all 94 to this distinguished profession.

As always please don't hesitate to call, email or drop by if you have any questions or comments.
